Courtesy Bus will depart approximately for Tweed at 5:00pm and for Surfers between 4:30pm and 5:30pm.

Please see A-frame sign located near main entrance for departure times.

Please note.

During the period when only one courtesy bus is running to the GCTC and legal capacity of that bus is reached, the bus will take the most direct route to the Club to offload passengers. The bus will then return to the last point of pick-up and resume its regular route.

This may impact on pick-up times by more than 30 minutes.

The GCTC and Surfside Bus Lines apologise in advance for any inconvenience but would like to remind all, that the safety of all GCTC Members and Guests, and Surfside passengers, is our first priority.
